

A photograph of artist Christine Bender in her studio. She is a woman with short grey hair, wearing glasses on her head and a blue jacket. She is smiling and looking towards the camera. In the foreground, she is working on a large, abstract painting on a canvas, which features a face-like form in shades of pink and grey. The background is filled with various artworks, including a red abstract piece on the left and a white piece with a black silhouette on the right. The overall atmosphere is creative and artistic.
